We are registered and inspected by OFSTED to look after children aged 4 - 12 years. We provide a range of play opportunities including sports, art and crafts, games and free play. Children are cared for in a safe and secure environment on school premises, which offer challenging and stimulating play opportunities. The children are provided with a variety of snacks based on a six week menu.

For more information visit our website: [www.outofhours-kidsclub.com](http://www.outofhours-kidsclub.com), where you can see our policy and procedure framework, six week menu and photographs of our site and activities.

Our registration process for reception children will begin mid-June, in order to register an interest in booking your child in, please email [info@outofhours-kidsclub.com](mailto:info@outofhours-kidsclub.com) providing us with your email address, school and child's name.

Sarah - Site Manager of the breakfast and after school clubs

Debbie - Manager of the Juniors after school club

Sonya - Breakfast club manager/playworker after school

We currently have a staff team of 6/7 at breakfast club and 12-14 staff at after school club. All our staff are Paediatric First Aid qualified and hold an enhanced DBS check.

Members of our team have worked in childcare in different roles, settings and lengths of service, some with Out of Hours Kids' Club for 24+ years.

The team range in age and childcare backgrounds, we are passionate about providing safe, stimulating play opportunities from which children can learn and develop.

## **Activities**

We offer the children the opportunity to play indoors and outdoors as much as possible. The infants are collected from class and we are based in the Infants school hall. The juniors with the exception of year 3 come to the junior hall, year 3 are collected from class.

Play can range from arts and crafts, reading, construction toys, board games, pool/snooker, table football, air hockey and role play inside. Outside we use footballs, tennis, skipping, group games, tricycles and scooters, balancing equipment and have full use of all the school playground areas, including the adventure play frame from year 1 upwards.

Staff are experienced in organising group games or team based sports, however, we also recognise that the children may just want to free play and be imaginative.
